Equus Capital Partners, Ltd. is a private real estate investment fund manager with a 30-year history of managing a high quality investment portfolio through its integrated investment and operating platforms in top tier markets across the United States. Through multiple real estate cycles and unpredictable investment conditions, Equus has consistently focused on a defined strategy of acquiring and developing high quality office, multi-family, industrial, R&D and retail assets in major U.S. growth markets. A diverse team of over 100 real estate professionals located in 6 offices facilitates the establishment of valuable relationships within all disciplines of the real estate industry across the country.

The mission of Affinius Capital is to strengthen the profitability and diversity of the Affinius investment portfolio and those of its investor clients by acquiring, developing, financing and managing quality real estate investments. The portfolio consists of office, industrial/logistics, multifamily, retail and hotel properties. Visit [www.affiniuscapital.com](http://www.affiniuscapital.com) for more information.

Affinius Capital has a 25+ year history of successful joint venture partnerships for office development throughout the United States, providing common and preferred equity to partners and sponsors for vertical office projects. Since 2010, Affinius Capital and 22 partners have developed \$5.2 billion of office development projects totaling 12.5 million square feet in 14 states, of which 17 projects were build to suit specifically for tenants.
